

# DATA+AI SUMMIT 2022

ORGANIZED BY  databricks

## Public Sector Guide to Data + AI Summit

JUNE 27-30 2022 | MOSCONE CENTER & VIRTUAL

# Open Your World to Data and AI

Hello and welcome to our Public Sector customers and partners!

You're invited to open your world to the new innovations at Data + AI Summit 2022. It's great to be back in person at the Moscone Center for our biggest event to date. This year's hybrid conference is packed with best practices, usable examples, hands-on demos and customer stories to help you make the most of the Databricks Lakehouse to achieve your mission goals.

This Public Sector Guide to Summit is designed to ensure you get the most from your experience. We have a stellar lineup of Public Sector sessions, many of which are led by our exceptional partners and feature the Lakehouse journeys of our Databricks customers. We are also delivering a series of Public Sector demos, both in person and on the virtual platform, to help you get started innovating with AI.

We're also hosting a Public Sector Forum on Wednesday, June 29. This content-rich event will feature data and AI leaders from the U.S. Department of Defense — Advana; the Centers for Disease Control and Prevention (CDC); USPS Office of the Inspector General; the United States Special Operations Command (SOCOM); and Booz Allen Hamilton. Our esteemed speakers will share their perspectives on the biggest issues facing government, including the fight against COVID-19, cyber threat detection, AI-driven government, homeland security and delivering better social services to citizens.

Take the time to network in person or through the virtual platform and ask any Databricks team members, aka Bricksters, questions — we are excited to help you! And be sure to check out the [full agenda](#) for the most up-to-date information.

We look forward to a compelling week of data and AI with you!

**HOWARD LEVENSON**

*Regional VP, Federal, Databricks*

**DAIS 2021 (VIRTUAL)  
HIGHLIGHTS:**

<p style="font-size: 2em;"><b>100K+</b></p> <p>PARTICIPANTS</p>	<p style="font-size: 2em;"><b>200+</b></p> <p>SPEAKERS</p>		
<p style="font-size: 3em;"><b>160</b></p> <p>COUNTRIES</p>			
<p style="text-align: center;"><b>This year we are going BIG with industries!</b></p>

# Data + AI Summit 2022

HYBRID, JUNE 27-30, 2022

Attend virtually for free, or join us live  
at the Moscone Center in San Francisco

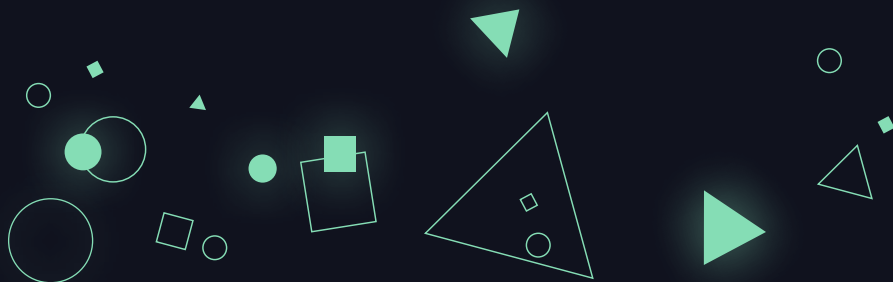

[Register Now](#)

Data + AI Summit is the global event for the data community, where 100,000 practitioners, leaders and visionaries come together to shape the future of data and AI. This guide outlines specific tracks relevant to the Public Sector that you may be interested in.

**Data + AI Summit is hybrid this year**  
— and it's easy to register [here](#).

## Top 7 reasons to attend DAIS

- 1 Learn best practices from thought leaders who have already successfully achieved mission outcomes with data and AI
- 2 Gain insight on practical applications of advanced analytics in federal, state and local government agencies
- 3 See how the Lakehouse for Public Sector is changing the world – one byte at a time
- 4 Network with other data and AI leaders and practitioners at our Public Sector Forum featuring speakers from VA, USPS OIG, DoD Advana, Booz Allen Hamilton, SOCOM and CDC
- 5 Take a break and stop by our Public Sector Lounge to meet Databricks and our partners
- 6 View demos on Medicare claims analytics, entity resolution, SAS migration, automated secure data access and more
- 7 Attend deep-dive talks from the U.S. Air Force, U.S. Department of Veterans Affairs, Deloitte Federal and Oak Ridge National Laboratory

# Create Your Own Experience

We have created three different Public Sector experiences so you can get the most from Summit:

**1**

## PUBLIC SECTOR FORUMS

Enjoy our industry-specific keynotes and panel discussions with thought leaders from some of the most innovative government agencies

**2**

## BREAKOUT SESSIONS

Deep dive into specific topics and technical sessions with a leading expert from your field who has tackled the data and AI problems you are looking to solve

**3**

## INTERACTIVE DEMOS

Join interactive demos for popular Public Sector use cases and AMA sessions with our data and AI technical experts

# All Things Public Sector at Summit

Use this section to schedule and design your Summit experience around the Public Sector and our **industry forum, talks and live demos.**

## Public Sector Forum

WEDNESDAY, JUNE 29 | 11:00 AM - 2:00 PM PT  
Lunch and Forum Followed by Networking Dessert Reception

LOCATION: MOSCONE SOUTH, ROOM 301-302

Join us for our most popular industry event, featuring our Public Sector keynotes and a panel discussion with thought leaders from Public Sector agencies and systems integrators. Hear firsthand how they are unlocking the power of data and AI to deliver on their mission objectives and better serve citizens.

### FEATURED SPEAKERS:

#### Keynote — Modernizing Public Health With Data Insight COVID-19 Vaccine Distribution

RISHI TARAR, Chief Enterprise Architect, CDC  
ALAN SIM, CDO, CDC

#### Panel Discussion

THOMAS KENNEY, CDO, SOCOM  
JOHN S. SCOTT, MD, Acting Director, Data Management and Analytics, U.S. Department of Veterans Affairs  
FREDY DIAZ, Analytics Director at USPS Office of Inspector General

#### Keynote — How Advana Enables DoD to Deliver Data Insight and AI at Scale

CODY FERGUSON, Data Operations Director, DoD Advana  
BRADLEY CORWIN, Chief Data Scientist, Booz Allen Hamilton

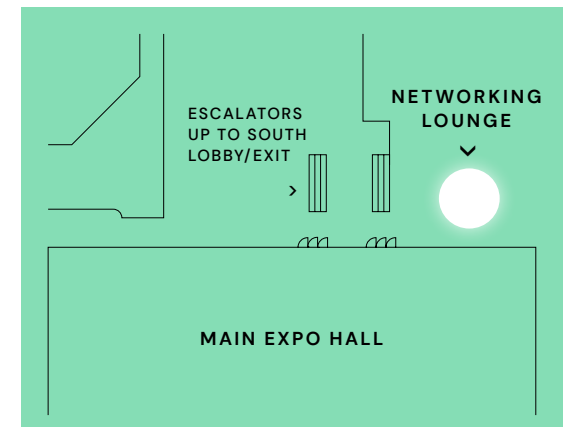

## Public Sector Industry Lounge

TUESDAY, JUNE 28 | 10:00 AM - 9:00 PM PT

WEDNESDAY, JUNE 29 | 10:00 AM - 7:00 PM PT

LOCATION: EXPO LEVEL 1, OUTSIDE MAIN HALL

Connect with Databricks Public Sector experts, partners, technical leaders and other attendees in our dedicated lounge space for informal discussions and networking. Learn how Databricks and our partners collaborate with leaders across government to innovate and transform operations with data and AI across the industry.

## Breakout Sessions

We have a [full agenda of Public Sector](#) talks taking place at Summit. See which ones best fit what you're looking for.
